1977 was an interesting time in America. Written from hands-on experience gained from the complete strip-down and rebuild of a Harley-Davidson Sportster, Haynes can help you understand, care for and repair your Harley-Davidson Sportster. Haynes has one that covers almost every Sporty on earth. Disavowed by the factory for years, and unknown even to most Harley riders, 1977's Confederate Editions are a fascinating footnote in the history of Harley-Davidson, and may be the most collectible Harley ever. We do it ourselves to help you do-it-yourself, and whatever your mechanical ability, the practical step-by-step explanations, linked to over 900 photos, will help you get the job done right.
